Solution for heavily clogged pipes and drains

Suma Drain Declogger cleans and declogs drains quickly and effectively. Unblocks pipes and cleans grease traps

Key Properties

- Unblocks and cleans washrooms, kitchens & other drains effectively.
- Its special ingredients break down food residue, melts grease and hair.
- Does not damage pipes, septic tanks etc.

- ✓ Save manpower hours of cleaning
- ✓ Maintain optimal business operations

Grease Trap, P-Trap, Sewerage Treatment Plant (STP) Maintenance Solution

Diversey Suma Drain Maintainer

Multiple-strain blend of bacteria, formulated to attack the soils commonly associated with build-ups in pipes and grease traps. Regular use will decrease the frequency of cleaning out grease traps and eliminate slow-flowing drains.

- ✓ Enviro-Friendly Maintenance Solution
- ✓ Save manpower hours of cleaning
- ✓ Eliminate clogged pipes & drains
- ✓ Zero operations downtime

Dishwasher Leasing Program

Helping smart kitchens around the world for over 30 years

Smart kitchens are all about efficiency and safety

Achieving goals for food safety and operational efficiency to improve business's bottomline is not an easy task. Choosing the right strategic partner that offers high quality hygienic standards and reliable services is the key.

Diversey's Dishwasher Leasing Program is inclusive of

- Warranty & Maintenance
- 100% Coverage During Lease Period
- Includes chemicals
- Includes spares
- Breakdown Cost
- Normal Wear & Tear

- Service & Performance
- Emergency Call Support
- Service Check Up
- Complete Service Back Up
- Preventive Maintenance
- Performance Guarantee

- Installation & Technical Support
- Qualified and experienced technicians
- Site Survey - FT & RC Type
- Best Ware Flow Recommendation
- Setting the Dishwasher

Diversey's Dishwasher Leasing Programs apply to house brand Suma and other international brands*

Undercounter

Door Type

Conveyor Type

Flight Type

Intentional Damage of any sort is not covered & cost towards the same shall have to be borne by the customer
* Provision of international brands is subject to local availability and lease agreement between Diversey and machine manufacturers (e.g. Hobart, Winterhalter, G-Tech, Meko and Hoshizaki).

For more details, please contact Diversey representative in your market.

Matting Solutions

High Twist Nylon
4ft x 6ft
3ft x 5ft
Entrance matting ideal for high traffic areas due to its high absorbency and high dust trapping capabilities. Ideal for indoor placement. Comes in standard sizes and colors.

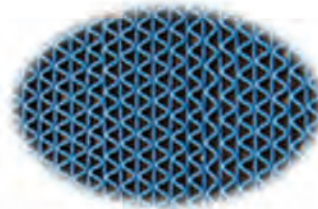

Polyvinyl
4ft x 40ft
Entrance matting ideal for medium to high traffic areas. Suitable for dry seasons as it provides low absorbency and medium dust trapping capabilities. Ideal for outdoor placement. Comes in full rolls, custom sizes, and colors.

Kitchen Mat
Heavy duty anti fatigue and anti slip matting ideal for food preparation areas. Has large drainage holes for liquids and food debris. Comes in standard sizes.

Cotton
4ft x 6ft
3ft x 5ft
Entrance matting ideal for high traffic areas due to its high absorbency and high dust trapping capabilities. Ideal for indoor placement. Comes in standard sizes and colors.

S Type
Specialty anti-slip matting ideal for medium to high traffic areas. Suitable for wet, slippery areas around swimming pools, shower areas, and changing rooms. Comes in full rolls, custom sizes, and colors.

Pedimat Floor Matting

- A permanent and integrated solution to keep floors clean
- Engineered to be quiet, thanks to its combination of lightweight rails and strong aluminum hinge connectors.
- Lots of aesthetic options to match any décor.
- Rolls back for easy cleaning.
- Architectural mats that can be either surface or recessed mounted.
- It has stainless steel grid to provide the best scraping action of any of our entrance grids; architectural grids to handle heavy rolling loads and pedestrian traffic; and heavy traffic mats to keep building interiors clean and beautiful.

Color			

3M™ Safety-Walk™ Wet Area Matting

- Z-web design provides uniform foot support
- Enhances slip resistance, helping reduce falls
- Allows water to drain through, keeping surfaces drier
- Ideal for wet areas such as locker rooms, saunas, shower areas, poolside, bathrooms, and water fountains

3M™ Safety-Walk™ Cushion Matting

- Rigid vinyl Z-web construction that provides firm support and allows cart traffic
- Provides increased traction in wet areas, helping reduce slips and falls
- Grease-proof and resistant to a wide variety of chemicals and detergents
- Ideal for the workplace where people stand for extended periods of time and in food service areas
