All purpose cleaner

Description

Suma Total D2.4 is a concentrated all purpose detergent for cleaning of hard surfaces in food premises, including floors, walls, doors, ceilings and general equipment.

Key properties

Suma Total D2.4 is a neutral detergent suitable for manual cleaning of all surfaces in the kitchen. It is an optimal blend of anionic and nonionic surfactants, which makes it effective for removal of grease and dried-on food.

The sequestrant in the formulation makes it suitable for all water conditions and does support cleaning performance.

Benefits

- Cuts through grease and dried-on food soiling and leaves a shiny surface
- Effective in all water conditions
- Multi-purpose and suitable for use on most surfaces in the kitchen.
- Excellent economy in use due to concentrated formulation
- Meets EU flower criteria as environmental friendly all-purpose cleaner
- Proper dosage saves costs and minimises environmental impacts
- Reduces impact on aquatic life
- Reduces use of hazardous substances
- Reduces packaging waste

D2.4

All purpose cleaner

Use instructions

For controlled dosing the product can be used via the Diversey QFM system.

General Cleaning:

1. Use at a concentration of 4 mL per liter of hand warm water (10 mL for heavy soil conditions)
2. Clean surfaces using cloth, brush or mop system
3. Rinse food contact surfaces with clean water and allow to air dry

Floor cleaning:

1. Dilute product (4 mL/L) in hot water (10 mL for heavy soil conditions)
2. Apply solution with mop
3. Remove dirt with the mop
4. Rinse with clean water and allow to air dry

For heavily soiled items, a higher concentration may be required.

The product is not intended for large-scale cleaning

Technical Data

Appearance	Clear green liquid
Relative density [20°C]	1.03
pH neat	8.0
pH (1% solution)	7.5

The above data is typical of normal production and should not be taken as a specification.

Safety Handling and Storage Information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet.

Store in original container. Avoid extremes of temperature.

Product compatibility

Under recommended conditions of use, Suma Total D2.4 is suitable for use on all materials commonly encountered in the kitchen.

Approvals

Eco labeled product according EU-flower criteria.
